

Peixiao WANG

About Me

I am currently a Postdoctoral Fellow of State Key Laboratory of Resources and Environmental Information System, Institute of Geographic Sciences and Nature Resources Research, Chinese Academy of Sciences. I received Ph.D. degree from State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing, Wuhan University in 2023, and received the M.S. degree from The Academy of Digital China, Fuzhou University in 2020. During the past years, I have published over 20 refereed journal articles and conference papers as first or corresponding author. My research focus on spatiotemporal data mining, spatiotemporal prediction, social computing, and public health. Email: peixiaowang@outlook.com

EMPLOYMENT

◆ Jul 2023 - now: **Institute of Geographic Sciences and Nature Resources Research,** **Advisor: Prof. Feng Lu**
Chinese Academy of Sciences Beijing, China
State Key Laboratory of Resources and Environmental Information System (Postdoctoral fellow in Geographic Information Science)

EDUCATION

◆ Sep 2020-Jun 2023: **Wuhan University** **Advisor: Prof. Tong Zhang**
State Key Laboratory of Information Engineering in Surveying, Mapping and Remote Sensing (Doctor in Geographic Information Science) Wuhan, Hubei, China

◆ Sep 2017-Jun 2020: **Fuzhou University** **Advisor: Prof. Sheng Wu**
The Academy of Digital China (Master in Surveying and Mapping Engineering) Fuzhou, Fujian, China

◆ Sep 2013-Jun 2017: **Shandong University of Science and Technology** **Advisor: Prof. Naixia Mou**
College of Geodesy and Geomatics (Bachelor in Geographic Information Science) Qingdao, Shandong, China
